Certificate Description

The health care management graduate certificate is a collaborative program between The Bitonte College of Health and Human Services and the Warren P. Williamson, Jr. College of Business Administration. The sequence of 18 semester hours is designed to meet the needs of students and working professionals preparing for leadership roles in health care management. The certificate consists of six semester hours of business tool courses and twelve semester hours of health care management courses.

Certificate Requirements

Applicants interested in the healthcare management certificate must apply to and be accepted into the Master of Health and Human Services degree program. Students in the healthcare management certificate track are not obligated to complete the Master of Health and Human Services degree.

Certificate Requirements

Students must complete six semester hours from the following:

- ECON 6900 Statistical Problems 3 s.h.
