Graduation Rate: 30.43% (On the rise, 28.57%, 31.20%, 31.80%)

Excluding students entering with an “Undetermined” major, on average 55% of all first-time, full-time baccalaureate degree-seeking students who earned a baccalaureate degree within six years changed majors at least once.

Gender
- Enrolled slightly more female students than males
- Graduated a larger percentage of the females than the males (34% to 26% respectively)

Age Group
- Primarily (90-91%) students were below the age of 25 (traditional)
- Had the largest percentage of non-traditional aged students (8-11%) than all the other undergraduate colleges.
- Graduated more traditional aged students than non-traditional aged students, 33% vs. 4% respectively.

High School Diploma
- 87-94% of student enrolled had graduated from high school
- Approximately 33% of those students earned a baccalaureate degree within six years.
- Neither of the three GED recipients nor the 1 home schooled student enrolled during the three years covered during this study graduated within six years.

High School GPA
- 49% of students enrolled (the lowest of all the undergraduate colleges) reported HS GPAs of 2.51 or higher (perhaps this is likely due to Undetermined majors).
- 6-20% submitted no HS GPA information
ACT Composite Score
- 51.61% of students submitted ACT Composite scores of 18 or above
- 23.26% did not submit and ACT Composite score

Race/Ethnicity
- 71.79% of students self-identified as being White
- International (3 of 7) and White (264 or 769) had higher graduation rates than the overall college graduation rate.

Reading & Study Skills Course Recommendation
- 65.77% of students were NOT recommended to enroll in either 1510A or 1510B
- Of those recommended for a Reading & Study Skills course, most were recommended for 1510A. On average, 21% of those students earned a baccalaureate degree within six years compared to 14% of those who were recommended for 1510B.

English Placement Test Results
- 28.42% of students tested into English 1540 or below
- 15.22% of students had no English placement test results
