  - ABSOLUTELY NO CHANGES can be made to it after Friday October 31st – MAKE SURE THAT ALL INACTIVE MEMBERS HAVE BEEN MARKED ACCORDINGLY.
  - Clothing with block or screen printed letters or a written organization’s name will count for points. Other items that will count for points include bags, hats and bandanas. All Greek Life shirts will also count.
  - Things that will not count for points are jewelry (such as rings, lavaliers, or necklaces), tattoos, notebooks, key chains or any other accessories.

- **Family Feud @ 7:00 p.m. – Gallery, Kilcawley Center**

  - Each chapter must produce a panel of 5 chapter members and one alternate to compete in the Family Feud game.
  - No phones may be used by the contestants during the game.
  - The game begins with a survey question that was asked of 100 people. A representative from each chapter will be positioned at the “buzzer”. The contestants compete to see who can buzz in first with an answer. The chapter whose representative gives the most popular answer will take over game play, and each chapter member will then have to provide an answer to the survey question. Every wrong answer is a strike, and each team is allowed three strikes. After the third strike, game play turns over to the other team. The chapter that receives the most points in their round will move up in the bracket.

  - All pennies and paper money will count as positive points (this includes dollar bill coins). All silver coins will count as negative points. For example, if a person places 25 pennies in the bucket and someone then places a quarter in the bucket as well, the balance is zero.
  - The buckets will be closed off at exactly 2:00 p.m.
  - Money will be donated to the CARMSTRONG Foundation.

- **Capture the Flag, 7:00PM: (Fraternities)**
  - This game will be played with a double elimination bracket system.

**Friday, November 7**

• **Bocce Night at MVR 6:00PM**

  - Check in starts at 6:00PM promptly.
  - Each chapter can play up to 8 players (4 on each end of the court) – A team can choose to play with only 4 players if not enough members can play. You can only add new members to the team before a game has started, **NOT** during a game.
  - Bocce is played with eight large balls and one smaller target or object ball called the pallina. There are four balls to a side or team, and they are generally made in two colors to distinguish the balls of one team from those of the opposing team.
  - Pallina and Color – A coin toss by the referee will determine which team has the pallina and choice of ball color.
  - Sequence of Play – The pallina is rolled or tossed by a member of the team having won the coin toss to start the game. The player tossing the pallina must deliver the first ball. The opposing team will then deliver their bocce balls until the point is taken or they have exhausted their four balls. This “nearest ball” rule governs the sequence of played balls. The side whose ball is the closest to the pallina is called the “in” ball and the opposing side the “out” ball. Whenever a team gets “in,” it steps aside and allows the “out” team to deliver.
  - One (1) foot rule does not apply to the initial role out of the pallina towards the side wall.
  - Each team is permitted 2 chances to put the pallina in play on an initial role out.
  - Due to time limited games, teams are not permitted to delay play, be a good sport and roll quickly.
  - Top of boards and pipe above board is considered OUT OF PLAY.
  - Winner Bracket Games will last 25 minutes or games to 10, whichever comes first. **Exception:** Ties will be determined by each team having one roll and the closest wins.
  - Loser Bracket Games will last 20 minutes or games to 10, whichever comes first. **Exception:** Ties will be determined by each team having one roll and the closest wins.
  - No time limit for the championship game and game is to 10.

• **Each game will designate one member from each team, to keep track of time. Please make that selection before the game starts. The clock starts with the roll of the pallina.**
