Mission
Youngstown State University, an urban research university, emphasizes a creative, integrated approach to education, scholarship, and service. The University
- places students at its center;
- leads in the discovery, dissemination, and application of knowledge;
- advances civic, scientific, and technological development;
- fosters collaboration to enrich the region and the world.

Youngstown State University is committed to a campus environment that values all individuals and groups, and to non-discrimination and equal opportunity for all persons without regard to sex, race, religion, color, age, national origin, sexual orientation, gender identity and/or expression, handicap/disability, or identification as a disabled and/or Vietnam-era veteran. The University is also committed to the principles of affirmative action and acts in accordance with state and federal laws.
