Figure 1: Students are attracted to the academic programs delivered by the faculty who are supported by their department, college and the office of academic affairs as they work collectively to stimulate academic excellence. Other areas, divisions, and offices are foundational for and facilitators of the success of students and of the academic programs. Enrollment; Recruitment; Matriculation; Persistence; Completion; Career; Lifelong Learning.
Figure 2: The success of the academic programs advance the institution thereby increasing the stature of YSU by adding value to the region, stimulating innovation and enabling sustainable prosperity.

Figure 3: Establishing and achieving the cumulative goals of an annual leadership agenda advances the institution’s progress on achieving the objectives of the Strategic Plan. The annual review creates an opportunity for a “reset” of objectives in response to new opportunities or unexpected circumstances.
