Future Plans : Graduating Seniors at Youngstown State University 2011

Congratulations on your upcoming graduation from Youngstown State University.

Survey Explanation: The Office of Assessment at Youngstown State University is issuing this brief survey to improve programs and enhance student success for future and current graduates. Your response to this brief survey is voluntary. By completing this survey, you will be providing consent to voluntarily participate in the survey and to have your responses included in YSU's summary data (and any reports about that data). All data will be summarized in aggregate form only. All responses will be kept confidential and anonymous. However, if you choose to respond to the "optional" question in the survey, your identity may be revealed to the investigators of this project. Data from the survey will be aggregated and reported publicly to support continuous improvement. You must be 18 years of age or older to participate in the survey.

Drawing for YSU Diploma Frame: If you complete the survey before May 31, 2011 and answer the optional question, your name will be entered into a drawing. A random drawing will occur on May 31, 2011, and one student who has completed the survey will receive a beautiful frame for his/her YSU diploma. Only complete the survey one time or you will not be eligible for the random drawing.
